

HOW MUCH LIABILITY DOES YOUR HOME INSPECTOR TAKE ON?

If your Inspector MISSES Something Major, Will That
Company Pay TO SOLVE That Problem?!

Competitors Answers:

*Sorry, liability ONLY
Up to the price of the inspection!*

*I'm willing to give
you a refund of your inspection fee,
BUT THAT'S IT!*

*Our company has
no liability, go back
and sue the seller and broker!*

*Ma'am, you didn't read the fine print in
our contract you signed. We only owe you
two hundred dollars for missing the
major problem you have!*

The HOUSEPROFESSORS Answer:

HOUSEPROFESSOR extends **\$5,000** of liability, using ASHI Standards of Practice as the benchmark, on each inspection it performs. CONFIDENT & FULLY PROTECTED, describes how buyers, realtors and sellers feel when the inspection company involved is HOUSEPROFESSOR.
